Happy Valentine's Day, Alumni

BY OLIVIA PRESTON, HISTORIAN

We hope you had a great holiday celebrating love. Here in Iota Lambda, we celebrated our love for women! This month we hosted our Women in Music speaker series, taught Girl Scouts about music, and had our own Galentine's day.

Chapter Updates

WHITE STRIPE

Iota Lambda hosted Girl Scouts in Hill Hall to help them earn their music badges. We went over the different instrument families, music from different countries, and made instruments. We ended the night with a performance from MTH.

GALENTINE'S DAY

After coming back from our long weekend, Iota Lambda held a Galentine's Day celebration. We did a gift exchange and wrote down what we appreciated about each other.

SNOW DAY

In case you didn't hear, we had a few snow days at UNC. We had a snow game vs NC State, which was the biggest party in the Triangle. A few sisters also met up to go sledding and enjoy the day off. We love impromptu SAS events!

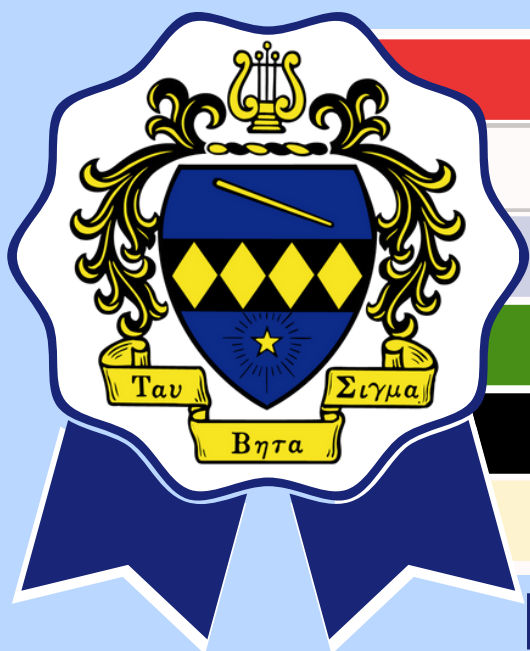

WOMEN IN MUSIC

Blue Stripe

We held our Blue Stripe Women in Music speaker series on February 12th. We invited Dr. Heidi Radtke to talk about her musical journey on the saxophone. She talked about being a professor, recording her own album, and keeping the love of music alive. She even talked about her time on the Committee for Gender Equity at NASA! North American Saxophone Association of course.

Thank you Dr. Radtke

Sister of the Month

Congrats Allison!

Thank you for all your hard
work as our Vice President
of Special Projects this
month

WHAT'S NEXT FOR **Iota** **Lambda?**

March is going to be busy for Iota Lambda.

We will be starting off the month with a nice spring break so we can spring into March Madness and SED convention when we get back.

You can catch us on TV at College Game Day and at the do0k game where we will be celebrating another Carolina Victory!

You can also find us on March 26th celebrating Ritual of the Third Degree.

Keep an eye out for more information!
