Happy Halloween, Alumni!

BY OLIVIA PRESTON, HISTORIAN

I hope this month hasn't been too scary! Here in Iota Lambda we've been busy since midterm season is in full swing. We've had a bit of a break this month from football games, so we've been focusing on bringing in our new Alpha Gamma line. We've also had a few concerts in the past month, and our members in Charanga, Symphony, Wind Ensemble, and Orchestra have done an amazing job!

IOTA KAPPA AT UVA

Sister Kellie traveled with the Marching Tar Heels to UVA in Charlottesville to meet with TBS Iota Kappa. Ultimately, the Tar Heels secured a victory!

OPEN SISTERHOOD EVENTS

We had the first of our open sisterhood events which was a Fall Movie Night! These events are for anyone in the band to come hang out with the sisters so we can relax, bond, and have some fun!

EPSILON THETA OF GEORGIA TECH

Although their band didn't travel, the sisters of Epsilon Theta still came to visit us in Chapel Hill! We are so happy we were able to meet up and sing with these amazing dedicated sisters!

SISTERHOOD AND SOCIAL

We've had many Sisterhood events this past month put together by our amazing Sisterhood and Social Chair, Jazmin. Keep reading to see how we've been strengthening the bond!

THE PILLARS OF TBS

SISTERHOOD

Sisterhood is an important aspect of Tau Beta Sigma. Our Sisterhood and Social Chair, Jazmin, planned some fun activities to strengthen the bond, culminating in our retreat to Washington DC! Our retreat was hosted by yours truly (Olivia) and we were even able to meet up with our amazing alum, Cindy Wang!

Pumpkin carving with goats! We had lots of fun carving pumpkins with our furry assistants, who helped clean up our messes by snacking on some pumpkin guts :)

Our flower arrangement party that ended with the sisters presenting the bouquets as gifts!

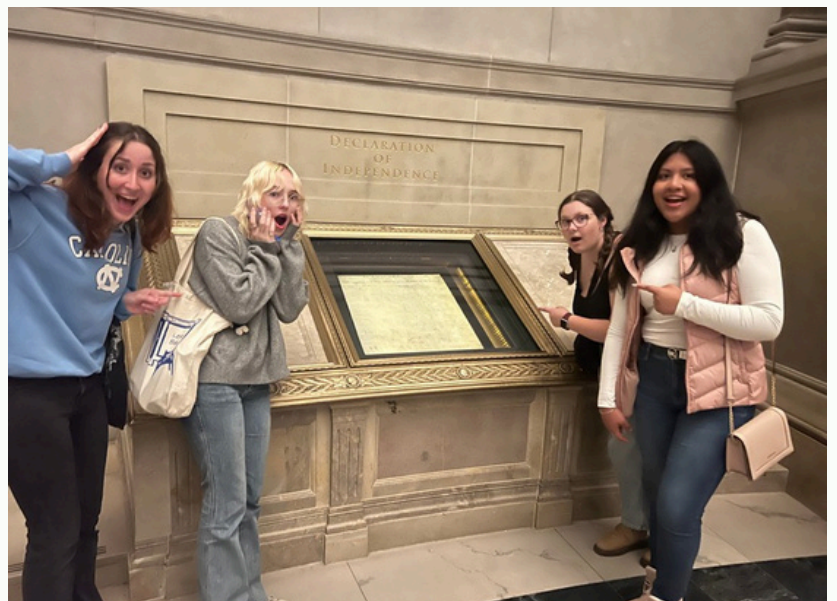

FALL RETREAT

IN WASHINGTON, D.C./VIRGINIA

During our retreat to DC, we got to tour the Library of Congress, the National Archives, the Smithsonian Museum of Natural History, the Pentagon, Old Town Alexandria, the National Botanical Gardens, and the National Mall. Our hosts, the Prestons, opened their home to us and made us wonderful homecooked meals, and we got to see my dog - Hazel! Thanks Mom and Dad!
